A WORLD-CLASS EDUCATION FOR ALL

INTRODUCTION

We recognise that each child is unique, with their own strengths, talents, and challenges. Guided by our mission, we combine British academic excellence with holistic development and strong pastoral support, ensuring every student is equipped to thrive both within and beyond the classroom.

At Epsom, we share parents' aspirations for their children and are committed to nurturing every student to:

- Develop self-belief, resilience, and independence
- Embrace creativity, wellbeing, and holistic growth
- Celebrate successes and learn from challenges
- Grow into principled, fulfilled citizens who contribute meaningfully to their communities

Our student-centred, inclusive, and future-focused approach:

- Tailors learning to individual needs and the demands of a rapidly changing world
- Embeds values of kindness, integrity, and ambition with purpose in every interaction
- Ensures teachers and pastoral staff act as guardians of each child's growth, wellbeing, and potential

Through this approach, we empower students to:

- Aim high and act with integrity
- Embrace opportunities with confidence
- Develop the courage to lead, the character to make principled choices, and the curiosity to navigate tomorrow with vision and purpose

BEYOND THE CLASSROOM

At Epsom, education extends far beyond the classroom. We cultivate well-rounded individuals through a holistic approach that harmonises intellectual growth with personal development. Our students are encouraged to:

- Discover their passions through over 150 co-curricular activities each term
- Engage in sport, including elite sports academies, the arts, community service, and enrichment programmes, all reflecting our values of kindness, integrity, ambition, and excellence
- Develop leadership, resilience, and teamwork
- Forge enduring friendships

These experiences complement our rigorous academic curriculum, equipping students to thrive with confidence in a global society.

Music and the performing arts are a cornerstone of this journey. Highlights include:

- One of the nation's most extensive departments, led by talented staff and inspired students
- 13 private music lessons enabling students to refine their artistry
- 24 dedicated practice rooms and a fully equipped recording studio
- Access to over 100 instruments for student use
- Opportunities to compose, perform in ensembles, and participate in recitals, productions, competitions, and private tuition

Sport, arts, and music form vibrant arenas of creativity, collaboration, and excellence, nurturing confidence, discipline, and artistry that extend far beyond the stage or playing field.
